Work Experience

Vidal Health Medcare (BFHL), New Delhi

Jul 2025 - Present

Assistant Manager

- Drove operational efficiency initiatives, enforcing strict financial compliance and sustaining client satisfaction metrics.
 - Resolved critical escalations and directed end-to-end client coordination, yielding 100% TAT compliance and ensuring key account retention.
 - Secured 100% KYC compliance and Account Aggregator hygiene by systematically managing enterprise-grade documentation.
 - Extracted actionable operational insights from MIS reports using data analytics, optimising workflows to accelerate senior leadership decision-making.
 - Consistently exceeded monthly operational targets, maximising throughput in a high-growth environment.

Bajaj Finserv Health, New Delhi

Dec 2024 - Jun

2025 **Management Intern**

- Executed distribution strategies for financial products by aligning and managing channel partners.
- Decreased partner query Turn Around Time (TAT) by directing primary operational contact and TPA reconciliation.
- Enforced operational efficiency and regulatory compliance by establishing and tracking key performance metrics.
- Scaled product volume through daily operational tracking and performance monitoring with "Health Sathi" channel partners.
- Generated supplemental pipeline growth by executing targeted cross-selling initiatives across MEF, Bajaj Pay, Overdraft (OD), and Insurance product lines.
